DAHL
AIR CONDITIONING, INC.

CAPABILITY STATEMENT

Union HVAC & Mechanical Insulation Contractor · Since 1977

COMPANY OVERVIEW

Dahl Air Conditioning, Inc. is a union mechanical contractor headquartered in Buellton, California, serving commercial, industrial and federal facilities on the Central Coast since 1977. Dahl crews install, service and maintain HVAC systems and provide mechanical insulation, giving owners one accountable contractor for both trades.

CORE COMPETENCIES

HVAC Installation & Replacement
RTUs, split systems, VRF, boilers and chillers, from removal through startup.

Preventive Maintenance
Monthly to annual programs, documented visit by visit in maintenance software.

Critical Environments
Computer room (CRAC) and cleanroom climate control.

Mechanical Insulation
Hot, cold, steam and cryogenic piping and duct, with ASJ, PVC, aluminum and stainless jacketing.

24/7 Service & Repair
After hours, the on-call technician is paged and calls the customer directly.

Central Plant
Chillers, boilers, cooling towers, heating and ventilation systems.

Commercial Refrigeration
Walk-in and reach-in coolers for food service and cold storage.

Firestopping & Removable Blankets
Firestop systems, grease duct wrap and custom removable insulation blankets.

PAST PERFORMANCE

About 99% of Dahl's federal award dollars come from the Department of Defense, with additional work for NASA. Dahl performs as prime and subcontractor under hard bid, negotiated and task order (JOC) delivery.

U.S. Space Force, Vandenberg SFB	16 recent projects: HVAC replacements, CRAC unit installations, boiler installations, battery room HVAC modifications and a child development center.
Public & Institutional	University laboratories and central plants, municipal facilities, libraries and fire stations.
Industrial & Commercial	Aerospace and defense manufacturing, food and beverage processing, wineries, healthcare and senior living.

DIFFERENTIATORS

- **Two trades, one contractor:** HVAC and mechanical insulation crews under one roof and one schedule.
- **Union workforce:** Sheet Metal Workers Local 104, registered with California DIR for prevailing wage public works.
- **Base access experience:** crews familiar with installation access, escort and badging requirements.
- **Documented maintenance:** every visit logged by equipment to support inspections and reporting.
